Responding to members' request, the Board has created the following policy:

**“Information distribution upon the death of PMSC club members or their family members”.**

(Please note that this is NOT a by-law addition or amendment, but simply a “policy” or “guideline”).

---

**Statement of Purpose:** Whereas the first stated objective of the Peterborough Motor Sports Club in its constitution is: “**To encourage and foster the spirit of unity and sportsmanship among its members**” – This club feels it is important to foster that unity in many ways, including, where deemed appropriate, offering support by way of condolences to the family of PMSC members, past and present, who have passed away, and to also offer condolences to PMSC members who have lost a close family member.

**Therefore: The following policy is adopted;**

1. Upon notification of the death of a **current or past member** of PMSC, the club Executive Committee, may, at its discretion, do any **one or more** of the following;
  - a. Inform **other current club members** of the passing by word of mouth, or in writing by electronic/digital means such as email, forums or other formats deemed respectful and dignified.
  - b. Send a written card of condolences to the family on behalf of the club.
  - c. Send an email offering of condolences on behalf of the club to the family of the deceased or to the funeral home involved in the arrangements.
  - d. Or, if deemed appropriate, the Executive Committee may designate a member or members to attend the funeral home during visitation hours as a representative of the club.
2. Upon notification of the death of a **member's immediate family-that being a spouse, sibling, parent or child-** The club Executive Committee, may, at its discretion, do any **one or more** of the following;
  - a. Inform **other club members** of the passing by word of mouth or in writing by electronic/digital means such as email, forums or other formats deemed suitable and dignified.
  - b. Send a written card of condolences to the member on behalf of the club.
  - c. Send an email offering of condolences on behalf of the club to the member or to the funeral home involved in the arrangements.
3. The club Executive Committee should inform the membership at the next monthly meeting and/or club bulletin, of its actions in either instance.
4. This policy does not preclude any individual PMSC member from acting on their own behalf to offer condolences in any way they deem suitable.

***Your thoughts are welcome!***

**Next edition of the Bulletin – June 15th**
